

Prospect Road Improvements

US 150 (War Memorial Drive) to Glen Avenue

VILLAGE OF PEORIA HEIGHTS

Why We're Here

Public meetings are held to encourage community participation and provide an opportunity for information exchange.

- Ask questions and share your input
- Complete a comment form and leave it in the comment box or mail it after the meeting
- Written comments received within two weeks will be included in the official project record

Project Goals

Transportation & Mobility

- Modernize the corridor to serve current and future needs
- Improve safety, accessibility, comfort, and convenience for all users

Economic

- Encourage commercial activity and downtown vitality
- Support long-term development and investment along the corridor

Infrastructure Improvement

- Reconstruct / rehabilitate pavement
- Replace / rehabilitate aging underground utilities

Community & Quality of Life

- Promote active transportation opportunities
- Improve ADA accessibility in accordance with Public Right-of-Way Accessibility Guidelines

Project Overview

Prospect Road is the primary north-south route through the Village of Peoria Heights and its main commercial corridor.

- Serves as a key connection through the downtown area
- Includes a 1.1-mile corridor from War Memorial Drive to Kingman Avenue
- Provides access to:
 - Restaurants and retail
 - Entertainment venues
 - Local government facilities
 - Financial institutions
 - Community schools and churches
 - Transit services
 - Regional recreation, including the Rock Island Greenway trail

Project Schedule

- **March 2025:** Phase I began with traffic data collection, surveys, and geotechnical borings
- Design concepts developed based on existing conditions, traffic projections, and project goals
- **October 7, 2025:** Alternatives presented to the Village Board
- **October 21, 2025:** Board-approved Alternative 2

Funding Status

- Construction funding has not yet been secured. The Village and Hanson are pursuing funding opportunities and grants.

Next Steps

- Phase I anticipated completion: Spring 2027
- Public comments from this meeting will be reviewed and design updates will be made as appropriate
- A second public meeting will be held later in the process

Get Involved

Public input is an important part of this project.

- Speak with the project team today
- Submit a comment form before leaving or by mail
